MAILART
1950's – 06.08.2015

Dear friends and family of the deceased, I regret to inform you that your beloved one has died on the 6th of August of 2015. Aged around 60 years old, it has died on the year of the 20th anniversary of Raymond Edward "Ray" Johnson death and the year of the 27th anniversary of IUOMA birth.

There will be no services of any kind and their remains are still being scattered through the world by our fellow postman's.

May it rest in pieces and once again be reunited with its ancestors.

Mailart is dead. I tell you ... it is dead. Deal with it. Done. It's dead and I've killed it. It's dead and there will be no second coming.

We offer our sympathy to the families and friends of the deceased.

If you would like support in your grieving, now or in the future, please report to the IUOMA network community, at IUOMA - International Union of Mail Artists (www.iuoma-network.ning.com).
